SOURCE

Confidential US Navy source.

[The Office of Naval Intelligence furnished the following information to CIA for IAC dissemination in accordance with paragraph 3c of NSCID #7.]
[This is DIO/13RD Report No 51-55, dated 20 Apr 55.]

1. [Available on loan from Graphics Register are copies of photographs and a letter -- material intended to be a Communist Chinese press release in the US -- and of the envelope in which they were mailed.] *official Use Only*
2. The material concerns the construction of a new hydroelectric power station on the upper reaches of the Lungki River, east of Chungking.
3. Preparing Officer's Comment: These photographs were obtained from a confidential source of known reliability and are forwarded as an example of Chinese Communist propaganda literature and for possible value regarding construction.

LIMITED

LIMITED: Dissemination limited to full-time employees of CIA, AEC and FBI; and, within State and Defense, to the intelligence components, other offices producing intelligence, and higher echelons with their immediate supporting staffs. Not to be disseminated to consultants, external projects or reserve personnel on short term active duty (excepting individuals who are normally full-time employees of CIA, AEC, FBI, State or Defense) unless the written permission of the originating office has been obtained through the Assistant Director for Collection and Dissemination, CIA.
